

DRESS CODE

Skin isn't made to glide on plastic!

Therefore it is compulsory to wear socks **at all times** in the playframe. An extra pair may provide added comfort.

Shoes, jewellery, watches, spectacles (unless shatterproof), necklaces, rings, chains, badges, pens, pencils and any sharp objects must be removed.

Clothing with sharp or metal/glass decoration cannot be worn i.e. jeans with metal studs.

To avoid friction burns, we recommend legs, arms and feet are suitably covered. Adventureland Limited cannot accept responsibility if the child's escort decides otherwise.

Adventureland Limited does not accept liability for damage to any article of clothing caused through normal playframe usage.
