

PARTY DRESS CODE

Because your guests are coming to a party, it doesn't mean the dress code for Adventureland changes or can be ignored. **Skin still won't glide on plastic, even for a party!** Therefore it is compulsory to wear socks **at all times** in the playframe. An extra pair may provide added comfort.

Shoes, jewellery, watches, spectacles (unless shatterproof), necklaces, rings, chains, badges, pens, pencils and any sharp objects must be removed. Clothing with sharp or metal/glass decoration cannot be worn i.e. jeans with metal studs. **To avoid friction burns, we recommend legs, arms and feet are suitably covered.** Party dresses are not suitable attire for the playframe. If you want the children to wear any 'decorative' clothing for the party room afterwards, they may change after their time on the playframe is finished. However, they must not, **under any circumstances**, return to the playframe afterwards. For playframe use, natural fibres offer least resistance. Adventureland Ltd cannot accept responsibility if the child's escort decides otherwise, however, we will not admit any child who may pose a danger to themselves or who may damage our playframes.

The same rules apply for football parties. Children should not wear shorts. Jog pants or jog suits are the most suitable for both. However, if they wear shorts, they must change before going on the playframe otherwise they may hurt themselves.

Please see adjacent panel for full admission rules.

ADVENTURELAND RULES

AGE LIMIT Children must be under 12 years and under 4'9" (1.45 metres). Entry ticket qualifies patrons for a play period of 1 1/2 hours.

ESCORTS A child must be escorted by an adult and an adult must accompany a child. Supervision of children's parties must be on the basis of 1 adult per every 5 children.

SUPERVISION Children must be supervised at all times by the parent or responsible adult accompanying them. The Children's Act of 1989 requires us to inform you of this obligation. Adventureland Ltd does not accept responsibility for child supervision whilst on our premises or using the equipment. Our staff have access to first aid. Our staff are not available to supervise your children. This is your obligation.

ADULT PLAY All persons entering the building are charged and permitted full use of the play equipment. Children's shoes must be left in reception. Adults must remove their shoes before entering the play areas. (Not applicable to the "Oasis Cafe"). Adults must also wear socks in the play areas.

DRESS CODE It is compulsory to wear socks at all times in the playframe. An extra pair of socks may provide added comfort. Shoes, jewellery, watches, spectacles (unless shatterproof), necklaces, rings, chains, badges, pens, pencils and any sharp objects must be removed. Clothing with sharp or metal/glass decoration cannot be worn i.e. jeans with metal studs. To avoid friction burns, we recommend legs, arms and feet are suitably covered. Natural fibres offer least resistance. Adventureland Ltd cannot accept responsibility if the child's escort decides otherwise.

SLIDE CODE Spectacular slides, designed to provide thrilling rides, form an important part of our playframe. They are perfectly safe despite their 'awesome' looks. It is, however, important to follow some basic rules. Children must go down in a forward facing sitting position. They must not push or be pushed by other children. We recommend that children fold their arms to avoid touching the sides and do not hold hands as persons of varying weights travel at different speeds. On reaching the landing pad, both children and adults should immediately exit the slide area to avoid other people colliding with them. Under no circumstances should children or adults attempt to climb up the slide from the bottom as they could be hit by other people coming down.

FOOD AND DRINK Food and drink must not be taken into the playframe at any time. It is also forbidden for any person, child or adult, to eat sweets or chew gum whilst using the equipment as this could be very dangerous. Only food and drink purchased from the 'Oasis Cafe' may be consumed on the premises, except for babies under 12 months who are still weaning. In this case parents are permitted to bring their children's milk and other forms of toddler food. We provide facilities to heat this but we cannot be responsible for the temperature at which the food is fed to the child.

CLEANLINESS & HYGIENE Keeping the centre clean is very important to us for the appearance and for our customers' benefit. Therefore we ask you to help us keep it this way. If any food or drink is accidentally spilled in the cafe area, please advise us immediately. Whilst our toilets are inspected regularly, if you are not satisfied, please advise us.

BABY CHANGING AND FEEDING It is not permitted to change nappies in the public areas. A room is provided for this purpose. This also doubles as a 'comfort' room for breast feeding.

FIRE Children are not permitted to carry matches, fireworks or any combustible material anywhere in the play centre.

BULLYING & ROUGH BEHAVIOUR No form of bullying, unsociable or rough behaviour will be tolerated by either children or adults. Anyone causing such behaviour will be asked to leave after one warning. The decision is entirely at the discretion of the management of Adventureland Ltd and no refund will be given. It is also unacceptable to cause damage to the playframe structure. Anyone doing so will be expected to pay for the repair.

NO SMOKING Smoking is not permitted in any part of Adventureland. Anyone so doing will be asked to leave. Toilet areas have smoke detectors fitted.

UNWELL Children who are injured, sick or nauseous are not permitted to use the play facilities. All children should use the toilet before entering the playframe.

GLASSWARE, crockery and cutlery are strictly limited to the cafe area and are not allowed at any time in the play area or reception.

ACCIDENTS It is a condition of entry that any accident is reported to a member of staff and recorded in the accident book. It is important to follow the safety rules when using the equipment. Please follow the slide rules because 'friction burns' hurt. Please note that on occasions a build up of static electricity may cause a slight discharge from time to time. Most children find this amusing.

RUNNING is not permitted in the play centre.

POSSESSIONS Adventureland does not accept responsibility for the loss or damage to any personal articles or possessions.

CAR PARKING Customers park their vehicles in the Adventureland car park entirely at their own risk. Adventureland Ltd does not accept any responsibility for vehicles or their contents.

LIABILITY Adventureland Ltd does not accept responsibility or liability for loss or injury of whatever nature caused through misuse of equipment or lack of supervision by a parent or accompanying responsible adult.
